Jenny Talley **Brewmaster • Squatters Pubs**

As director of R & D, and Squatters head brewer, Jenny Talley is always experimenting. Born and raised in Chicago, Jenny, the daughter of a sportswriter, moved to Utah in 1988 to pursue her education at the University of Utah and in tandem, her passion for home-brewing. In 1991, she heard there was an opening for a brewer's apprentice and was hired on the spot by brewmaster Dan Burrick. With the opening of the company's microbrewery in 1994, Jenny became head brewer of Squatters Pub Brewery and shortly after won a full scholarship to Seibel Institute of Brewing Technology in her hometown of Chicago.

She has been recognized time and again for her beers, both nationally and internationally and is a well respected beer judge. Jenny's medal list keeps on brewing...
