Squatters Employees and Customers Raise Thousands of Dollars for Haiti Relief Fund

Salt Lake City – (January 19, 2010) – Squatters delivered a check to the American Red Cross Salt Lake offices today for \$9,256.00. Employees and customers of Squatters this past weekend raised \$4,628.00 which was matched 100% by Salt Lake Brewing Co. L.C. to support rescue efforts in Haiti. “We were stunned by the overwhelming response from our customers, not to mention the pride we have for the servers that instigated the effort and a way to maximize donations,” said Operating Partner Joe Lambert.

On January 12, a series of earthquakes with magnitudes ranging from 6.5 to 7.3 devastated Haiti. The American Red Cross is working with its partners in the global Red Cross and Red Crescent network, including the Haitian Red Cross and other partners to assist those affected by this disaster.

Squatters donation to the American Red Cross will support emergency relief and recovery efforts to help those people affected by the earthquake in Haiti. Assistance provided by the American Red Cross may include deploying personnel, sending relief supplies and providing financial resources.
