

Wines

Squatters is dedicated to partnering with vineyards and wine makers that share our commitment to sustainable practices and make really great wines as well!

Sparkling

BAREFOOT BUBBLY CHARDONNAY BRUT *California*

Partners with thousands of non-profit organizations and created the Barefoot Beach Rescue Project, ensuring that local beaches are “Barefoot friendly.”

Whites

BREW HOUSE CHARDONNAY '08 *San Martin, California*

Crow Canyon Vineyards.

PARDUCCI CHARDONNAY, '08 *Mendocino, California*

The first winery in the U.S. to be entirely carbon neutral and uses Earth friendly packaging and sustainable farming practices.

PACIFIC RIM ORGANIC REISLING '08 *Columbia Valley, Washington*

A certified organic vineyard, and the first in Washington State to be Demeter Biodynamic certified.

YELLOW + BLUE SAUVIGNON BLANC *Valle Central, Chile*

Certified organic, and a trailblazer in using environmentally friendly packaging and shipping practices to reduce its total carbon footprint.

THE BOTA BOX PINOT GRIGIO

Packaging is made of 100% post-consumer, non-bleached fiber, with cornstarch binder instead of petroleum based glue, and printed with vegetable based ink.

Reds

BREW HOUSE CABERNET SAUVIGNON '08 *San Martin, California*

Crow Canyon Vineyards.

FETZER MERLOT *Mendocino, California*

From its construction techniques to its waste reduction and water conservation programs, Fetzer Vineyards is an industry leader in pioneering green practices.

JERIKO PINOT NOIR '06 *Mendocino, California*

Jeriko uses biodynamic and organic farming practices such as cover crops and grazing animals to maximize its sustainability.

YELLOW + BLUE MALBEC *San Juan Province, Argentina*

Certified organic, and a trailblazer in using environmentally friendly packaging and shipping practices to reduce its total carbon footprint.

THE BOTA BOX SHIRAZ

Packaging is made of 100% post-consumer, non-bleached fiber, with cornstarch binder instead of petroleum based glue, and printed with vegetable based ink.
